# Contracts Locator

## About WiredGov Contracts Locator:

The **Contracts Locator service** (Launched in April 2018) provides WiredGov registered users with live online access and email alert updates on all UK government and public sector contracts worth over £10,000.

You can use **Contracts Locator** to:

- Search for public sector contract opportunities in different sectors
- Receive daily alert notifications of current public sector contract opportunities, filtered by industry, key word and location
- Receive emails on relevant future contract opportunities and early engagement notices

You will find the **Contracts Locator** at the following URL:

<https://www.wired-gov.net/wg/content.nsf/content/Contracts+Locator?open&id=BDEX-6ZFKSD>

Or by clicking on the navigational link provided:

The UK's No.1 government & public sector news alerting service.

**Contracts Locator Pre-Registration/Log In:** If you are not logged in as a WiredGov Supplier Locator registered user, you can only view 25 results, with a restricted view of all contract/contact information as per below:
